

Photo Sharing Guidelines – Rockies 2 Pacific motorcycle event

We love seeing all the amazing moments from our motorcycle event, and we encourage everyone to share their experiences! To help keep things organized and respectful for all participants, please follow these simple guidelines:

✔ How to Share Your Photos

- **On the R2P Facebook Page:** We know you've got photos—now let's see 'em! Post your favorite moments from the event right here on our Facebook page. We're building a gallery of good times.
- **For Our Official Flickr Photo Site:**
 - Send your favorite high-quality shots to r2pphotos@gmail.com.
 - Submitted images will be reviewed and may be edited for clarity or content. While we can't share every photo, we truly appreciate all you send.
 - Include your name (for photo credit) and any caption or details you'd like to share.

🚫 Photo Posting Rules

To keep our online spaces fun, safe, and respectful, we ask that you:

- Only post **family-friendly** images (no nudity, excessive alcohol, or offensive gestures).
- Make sure everyone in your photo is **OK with being photographed** before posting.
- Avoid posting **accident photos, private/behind-the-scenes moments**, or anything that may reflect poorly on the group or event.
- No political, hateful, or divisive content.

🛠️ Moderation & Review

- Admins reserve the right to **remove any posts or photos** that don't align with these guidelines.
- Photos submitted for the Flickr gallery will be **reviewed before posting** to ensure they reflect the spirit of the event.

Let us celebrate the ride, the community, and the memories—while keeping our group respectful and welcoming for all. Ride safe and shoot responsibly! 🏍️ 📷
