SILENT AUCTION: A SPECIAL THANK YOU TO CHRIS – Rockies 2 Pacific Leather Artwork

We want to give a huge shoutout to Chris Blair for creating a truly exceptional piece of art — a hand-tooled, leather-drawn rendering of the Rockies 2 Pacific logo, beautifully framed and crafted with heart and skill.

This isn't just a logo — it's a work of art that captures the soul of our journey. The detail in the tooling, the texture of the leather, and the bold, clean design makes it a standout piece worthy of display. Framed and ready to hang, it's both a tribute to the miles we've ridden and a symbol of the brotherhood and adventure that define Rockies 2 Pacific.

We're excited to announce that this one-of-a-kind piece will be auctioned off to the highest bidder, with all proceeds supporting our future rides and events. It's a rare opportunity to own a piece of the journey — and help fuel the next chapter.

Thank you, Chris, for your craftsmanship, your generosity, and your support of the ride. This piece is more than art — it's part of our story.
